**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

**REVENUE EXPLANATION**

The value of the exemption for the lease, rental and purchase of airplanes and airplane equipment by a LA domiciled commuter airline is reported in the "Other" category on the sales tax form and in the Tax Exemption Budget. To the extent that impacted transactions occur, state general fund and local revenue will increase. The magnitude of the increase is not readily determinable, but the bill can only result in an increase in revenue collections.

Since these items were not previously taxed, any increase may be phased in slowly as compliance improves. The first FY 16 collections affected by this bill, if any, will be due May 20.
