13 §5204. Levy of taxes

6 meet in an open and public session to hear any objections to the proposed taxes  
7 or assessments. The notice of intent so published shall state the date, time, and  
8 place of the public hearing. Such taxes or assessments may be levied only after  
9 the commission has called a special election submitting the proposition for the  
10 levy of such taxes or assessments to the qualified electors of the district, and the  
11 proposition has received the favorable vote of a majority of the electors voting

6 obligations issued by the district shall be negotiable instruments and payable  
7 solely from the revenues of the district as determined by the commission, or  
8 from any other sources whatsoever, that may be available to the district but  
9 shall not be secured by the full faith and credit of the state.

21 or obligations of the district.

22 D. The obligations of the district shall be signed by such officers of the  
23 commission by either manual or facsimile signatures as shall be determined by  
24 resolution or resolutions of the commission, and shall have impressed or  
25 imprinted thereon the seal of the district, or a facsimile thereof.

26 E. Any obligations of the district may be validly issued, sold, and  
27 delivered, notwithstanding that one or more of the officers of the commission  
28 signing such obligations, or whose facsimile signature or signatures may be on  
29 the obligations, shall have ceased to be such officer of the commission at the

1 time such obligations shall actually have been delivered.

2 F. Obligations of the district may be sold in such manner and from time  
3 to time as may be determined by the commission to be most beneficial, subject  
4 to approval of the State Bond Commission, and the district may pay all  
5 expenses, premiums, fees, or commissions, which it may deem necessary or

19 resolution authorizing the issuance of bonds hereunder, any persons in interest  
20 shall have the right to contest the legality of the resolution and the legality of the  
21 bond issue for any cause, after which time no one shall have any cause or right  
22 of action to contest the legality of said resolution or of the bonds authorized  
23 thereby for any cause whatsoever. If no suit, action, or proceeding is begun  
24 contesting the validity of the bond issue within the thirty days herein  
25 prescribed, the authority to issue the bonds and to provide for the payment  
26 thereof, and the legality thereof and all of the provisions of the resolution  
27 authorizing the issuance of the bonds shall be conclusively presumed, and no  
28 court shall have authority to inquire into such matters.

29 J. Neither the members of the commission nor any person executing the

19 or other obligations issued by the district, pursuant to the provisions of this  
20 Section, and such bonds or other obligations shall be authorized security for all  
21 public deposits. It is the purpose of this Section to authorize such persons, firms,

26 or other obligations of the district, and that any such bonds shall be authorized
