SB 88 Original

2016 Regular Session

Morrish

Present law provides relative to the Taylor Opportunity Program for Students (TOPS) as a program of merit scholarships for students attending certain postsecondary education institutions and who meet specific grade point average (GPA), ACT score, and core curriculum requirements and certain other qualifications.

Proposed law increases the GPA requirement for initial eligibility for an Opportunity Award for students graduating from high school during or after the 2019-2020 school year from 2.50 to 2.75.

Present law provides for exceptions to the eligibility requirements for students graduating from high school in prior years. Proposed law retains these exceptions, but recodifies them in a new provision of law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
