HB 269 Original

2016 Regular Session

Gregory Miller

Abstract: Provides for the continuous revision of the law of successions.

Present law (C.C. Art. 1522) provides that a disposition *inter vivos* or *mortis causa* wherein the usufruct is given to one person and the naked ownership to another is permissible under the law.

Proposed law does not change present law, but seeks to clarify that such a disposition is not a prohibited substitution.

Present law (C.C.P. Art. 3396.9) provides that if the successor is an unemancipated minor, concurrence may be made on his behalf by the administrator of his estate or his natural tutor, without the need for a formal tutorship proceeding.

Proposed law expands present law to also apply to interdicts.

(Amends C.C. Art. 1522 and C.C.P. Art. 3396.9)
