DIGEST 2016 Regular Session

Morrish

<u>Present law</u> defines a premium finance agreement as an agreement by which an insured or prospective insured promises to pay to an insurance premium finance company the amount advanced or to be advanced under the agreement in payment of premiums on an insurance contract.

<u>Proposed law</u> retains <u>present law</u> and allows a premium finance agreement to include a loan agreement with the policyholder for wind mitigation retrofits to the insured property. Further requires the homeowners insurance policy to be issued to a homeowner who has financed the cost of wind mitigation retrofits with a consumer finance company for the purpose of obtaining wind mitigation and other credits on his homeowners insurance policy.

Effective August 1, 2016.
