SB 308 Original

DIGEST
2016 Regular Session

Milkovich

Present law provides for the Louisiana Educational Assessment Program and related tests and assessments.

Proposed law retains present law and limits the instructional time devoted to state assessments and tests administered at each individual grade level to no more than two percent of the total required instructional minutes established for the school year.

Proposed law also limits the instructional time devoted to district assessments and tests administered at each individual grade level to no more than two percent of the total required instructional minutes established for the school year.

Proposed law excludes teacher-developed or teacher-initiated assessments used in the course of regular classroom instruction from these testing time limits.

Effective upon signature of the governor or lapse of time for gubernatorial action.
