EXPENDITURE EXPLANATION

The bill may increase expenditures related to this new automobile allowance. However, the increase will depend upon the monetary amount the 15% will be applied to.

The assessor's salary including certification pay totals \$144,314. In addition, the assessor receives a 10% personal expense allowance of \$14,431, for total annual compensation of \$158,745.

If the 15% is applied to the \$144,314, the resulting automobile expense allowance would be \$21,647. If the 15% is applied to the grand total of \$158,745, the resulting automobile expense allowance would be \$23,812.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
