EXPENDITURE EXPLANATION

There is no anticipated direct material effect on expenditures of local schools as a result of this measure. The bill does not define the type of sign and appears to be limited to one sign posted in a clearly visible location that is readily accessible to students. Any costs to acquire or print a sign are likely to be nominal and should not significantly increase expenditures of local school districts.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
