5 provide for related matters.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. R.S. 30:93(A)(1) and the introductory paragraph of (A)(3) are hereby
8 amended and reenacted to read as follows:

9 §93. Recovery of site restoration costs

10 A. If the assistant secretary undertakes restoration of an orphaned oilfield site
11 under this Part, the secretary shall seek to recover all costs incurred by the secretary,
12 assistant secretary, penalties, and other relief from any party who has operated or
13 held a working interest in such site, or who is required by law, rules adopted by the
14 department, or a valid order of the assistant secretary to control, clean up, close, or
15 restore the oilfield sites in accordance with the following:

16 (1) All oilfield sites for which there is no site-specific trust fund shall be
17 restored with monies provided by the fund. Except for the responsible party, the

1 secretary shall not be authorized to recover restoration costs from parties which
 2 formerly operated or held a working interest in an orphaned oilfield site unless
 3 restoration costs for a particular orphaned oilfield site including support facilities
 4 exceed ~~two hundred~~ fifty thousand dollars. Recovery of costs under this Paragraph
 5 shall be from the parties in inverse chronological order from the date on which the
 6 oilfield site was declared orphaned.

DIGEST

SB 371 Original

2016 Regular Session

Allain

Present law provides recovery of site restoration costs. Further provides that the secretary of Department of Natural Resources is not authorized to recover restoration costs from parties that formerly operated or held a working interest in an orphaned oilfield site unless restoration costs for a particular orphaned oilfield site including support facilities exceed \$250,000.

Proposed law reduces the restoration costs limitation from \$250,000 to \$50,000.

Present law provides that if the oilfield site does not meet the provisions of R.S. 30:88(F) and restoration costs exceed \$250,000, recovery of costs will be from the parties in inverse chronological order from the date on which the oilfield site has been declared orphaned, except that a party will be exempt from liability for restoration of an orphaned oilfield site if the party meets certain requirements.

Proposed law reduces the restoration costs limitation from \$250,000 to \$50,000.

Effective upon signature of the governor or lapse of time for gubernatorial action.
