HB 109 Reengrossed

2016 Regular Session

Terry Brown

**Abstract:** Provides relative to the issuance of multiple hang tags for persons with mobility impairments.

Present law authorizes the commissioner to issue an additional hang tag to a person with a mobility impairment if that person is dependent on both parents who are divorced and residing in separate households.

Proposed law modifies present law by authorizing the commissioner to issue up to three additional hang tags on behalf of any person with a mobility impairment, instead of solely to mobility impaired dependents of divorced parents residing in separate households.

(Amends R.S. 47:463.4(B)(6))
