HB 226 Engrossed

2016 Regular Session

Moreno

Abstract: Provides for a revocation hearing rather than automatic revocation of a video draw poker license for certain violations.

Present law provides for the operation of video draw poker devices at qualified truck stops.

Present law requires the La. Gaming Control Board to revoke the license to operate video draw poker devices for a third or subsequent violation of allowing a person under the age of 21 to play or operate a video draw poker device at a licensed establishment.

Proposed law deletes the present law provision requiring an automatic revocation and provides for a hearing to determine whether or not there are extenuating circumstances under which the license should not be suspended or revoked.

(Amends R.S. 27:443(B)(1)(a)(ii) and (b)(iii))
