HB 704 Engrossed

2016 Regular Session

Havard

Abstract: Authorizes vehicles issued certain special permits by the Dept. of Transportation and Development to operate on interstate highways at night under certain circumstances.

Present law provides that vehicles that do not meet the standard measurements for regular operation of vehicles on highways may be allowed to operate such vehicles on highways if issued a special permit to do so by the secretary of the Dept. of Transportation and Development.

Proposed law retains present law.

Proposed law authorizes the secretary of the Dept. of Transportation and Development to allow vehicles issued certain special permits to operate on interstate highways at night if requested by the owner or operator of the vehicle.

(Amends R.S. 32:387(A))

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Transportation, Highways and Public Works to the original bill:

1. Authorize the secretary of the Dept. of Transportation and Development to allow vehicles issued certain special permits to operate on interstate highways at night if requested by the owner or operator of the vehicle.
