**Abstract:** Provides for the issuance of a Class "E" temporary instructional permit.

Present law authorizes a person who is at least 15 years of age to apply to the Dept. of Public Safety and Corrections, public safety services, for a school instruction permit if he is enrolled in a driver education course conducted by a person who meets certification requirements as established by the Dept. of Public Safety and Corrections, public safety services, for instructors of driver education and traffic safety.

Present law authorizes the department, in its discretion, after the applicant has successfully passed all parts of the examination, other than the driving test, to issue the applicant a school instruction permit for which no fee shall be charged.

Present law provides that such driving school instruction permit is valid only during the period of such instruction, and when the person to whom the permit is issued is accompanied by the instructor of driver education and traffic safety.

Present law requires such permit to be in the possession of the instructor during the period of its validity and that it is presented at any time for examination, when so requested by any law enforcement officer.

Present law provides that upon completion of such course of instruction, it is the responsibility of the instructor, as directed by the department, to return for cancellation any and all permits which have been issued and are held by him.

Proposed law provides that the fee for a Class "E" temporary instructional permit will be the same

as the fee for a Class "E" driver's license.

Proposed law requires a person possess a Class "E" temporary instructional permit in order to enroll in a driver education course, driver training program, or a prelicensing training course.

Proposed law limits a person with a Class "E" temporary instructional permit to operating a motor vehicle on the public highways and streets of this state only when the permit holder is accompanied by an instructor of driver education and traffic safety, and while actually operating a motor vehicle during the behind-the-wheel instruction or during the administration of the skills test.

Proposed law requires the holder of a Class "E" temporary instructional permit to be in possession of the permit during the period of its validity and to present such permit for examination when so requested by any law enforcement officer or representative of the Dept. of Public Safety and Corrections, public safety services.

Proposed law requires that upon successful completion of a driver education course, driver training program, or a prelicensing training course and the knowledge test, a person shall surrender a Class "E" temporary instructional permit issued pursuant proposed law to the Dept. of Public Safety and Corrections, public safety services, and apply for the issuance of an age appropriate learner's license.
