EXPENDITURE EXPLANATION

The bill may increase expenditures related to this new automobile allowance. However, the increase will depend upon the monetary amount that the 15% will be applied to.

The assessor's salary including certification pay totals \$131,796. In addition, the assessor receives a 10% personal expense allowance of \$13,180, for total compensation of \$144,976.

If the 15% is applied to \$131,796, the resulting automobile expense allowance would be \$19,769. If the 15% is applied to the grand total of \$144,976, the resulting automobile expense allowance would be \$21,746.
