EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

We assume that any additional collections relating to extending, for one year, the expiration date for the bidding of a construction contract or the leasing of a privately constructed facility will be used solely for the acquisition of a courthouse facility.

REVENUE EXPLANATION

The bill will increase the revenues collected by the Orleans Civil District Court in the 2016-2017 fiscal year and for the first month and a half of the 2017-2018 fiscal year.

According to the December 31, 2014 audit report of the Orleans Civil District Court Building Commission, building fees of \$1,462,259 were collected. This averages to be \$121,855 per month. Assuming that similar amounts will be collected each month in 2016 and 2017, the following additional amounts will be collected.

2016-2017	10 ½ month (8/15/16 – 6/30/17)	X	\$121,855 per mo.	=	\$1,279,478
2017-2018	1 ½ month (7/1/17 – 8/15/17)	X	\$121,855 per mo.	=	\$ 182,783

The Clerk of Orleans Civil District Court provided an estimated increase of \$1,401,201 will be collected in the 2016-2017 fiscal year and an estimated increase of \$124,732 will be collected in the 2017-2018 fiscal year. However, for purposes of this fiscal note, we are using the audit report numbers as shown above.
