HB 854 Engrossed

2016 Regular Session

Huval

Abstract: Removes the compulsory motor vehicle liability security exception applicable to motor vehicles used as agricultural or forest vehicles during certain times, and motor vehicles used for exhibit or for use in parades, exhibits, or shows.

Present law provides that every self-propelled motor vehicle registered in this state, except those motor vehicles used as agricultural or forest vehicles during seasons when they are not used on the highway, those used primarily for exhibit or kept primarily for use in parades, exhibits, or shows, and lease-bound mobile rig haulers, shall be covered by an automobile liability policy with certain liability limits.

Proposed law provides that the self-propelled motor vehicles required to be covered by an automobile liability policy with certain liability limits referenced in present law are those motor vehicles required to be registered in this state and that are designed for use on public highways, subject to the exceptions in present law.
