HB 524

2016 Regular Session

Robby Carter

AGRICULTURE: Provides relative to penalties for failure to provide records of petroleum products sold

Synopsis of Senate Amendments

1. Makes a technical change.

Digest of Bill as Finally Passed by Senate

Present law requires each dealer, distributor, or importer of petroleum products to keep a full and complete record of petroleum products received, used, sold, or delivered within this state.

Proposed law provides a penalty of up to \$5,000 for any dealer, distributor, or importer that willfully and knowingly fails to provide required records in present law.
