DIGEST

SB 303 Re-Reengrossed

2016 Regular Session

Morrell

Present law provides DPSC sole authority over the placement, care, treatment, or other considerations necessary for children judicially committed to DPSC.

Proposed law clarifies that the authority is with the office of juvenile justice within DPSC and makes an exception for educational services as provided in proposed law.

Proposed law adds "office of juvenile justice schools" to the state and district accountability program and all programs providing educational services to students in secure care of DPSC.

Proposed law requires, not later than July 1, 2016, BESE to convene a mutual accountability team to draft and propose to BESE a specialized accountability program for office of juvenile justice schools.

Proposed law requires the mutual accountability team to have recommendations on the accountability program to BESE no later than March 1, 2017.

Proposed law provides the membership of the mutual accountability team shall consist of:

- (1) One member of the School and District Accountability Commission
- (2) One person designated by the deputy secretary of the office of juvenile justice.
- (3) One person who is an expert on education in custodial settings, designated by the chairperson of the Juvenile Justice Reform Act Implementation Commission, after consultation with the Council of State Governments.
- (4) One person representing the interests of students and families, designated by the executive director of the Louisiana Advocacy Center.
- (5) One person who is an expert in alternative education in community settings, designated by the director of the Institute for Public Health and Justice at Louisiana State University.

Proposed law requires BESE to adopt rules establishing a specialized accountability program to office of juvenile justice schools no later than March 1, 2017. The specialized accountability program must include:

- (1) A specialized school report card for office of juvenile justice schools.

- (2) A program of regular, in-person monitoring of office of juvenile justice schools on no less than an annual basis.
- (3) A set of supports, interventions, and remedies for implementation when an office of juvenile justice school is deemed academically unacceptable.

Proposed law requires the state DOE assemble and calculate office of juvenile justice school report cards annually and publish report cards and performance scores on their website.

Proposed law requires the office of juvenile justice to publish report cards and performance scores of office of juvenile justice schools on their website.

Proposed law requires the mutual accountability team to recommend to BESE a policy governing educational assessment and counseling of students in office of juvenile justice schools no later than January 1, 2017.

Proposed law requires, no later than July 1, 2017, the mutual accountability team recommend to BESE a policy mandating which records, information, or other documentation must be maintained. Proposed law further provides that BESE consider the mutual accountability team's recommendations when adopting rules and regulations.

Proposed law provides that no later than December 1, 2016, the mutual accountability team shall recommend selection criteria for a comprehensive computerized student information system to be used by office of juvenile justice schools.

Proposed law requires the state superintendent of education designate a program manager for juvenile justice education programs no later than January 1, 2017.

Proposed law provides that the office of juvenile justice shall be considered a parish school board for purposes of development and submission of pupil progression plans.

Proposed law provides that MFP funds and other federal funds for youth in office of juvenile justice facilities be subject to the same oversight and accountability as other school boards.

Proposed law provides that office of juvenile justice schools are subject to same data collection provisions as city and parish school boards.

Effective August 1, 2016.

(Amends Ch.C.Art. 908(A), R.S. 15:905(A), (B), and (C), and R.S. 17:3911(B)(1)(intro para) and (3) and (C)(2), and 3912(A); adds R.S. 17:10.9 and 100.1(D))
