SUBPART E-4. SNAP WORKFORCE TRAINING AND EDUCATION PILOT INITIATIVE

§321. Findings

The legislature hereby finds and declares the following:

* * *

(2) The Supplemental Nutrition Assistance Program, formerly known as "food stamps" and referred to ~~hereafter in this Subpart~~ as "SNAP", provides crucial support to needy households and to persons making the transition from ~~welfare public assistance~~ to work.

(3) Pursuant to the federal Food Security Act of 1985, states are required to provide employment and job training services to SNAP ~~recipients customers~~ who are not exempt from the mandatory work registration requirements of the program.

(4) Federal regulations (~~7 CFR 273.24~~), 7 CFR 273.24, limit the duration of receipt of SNAP benefits by nonworking, able-bodied adults without dependents who do not qualify for certain exemptions to a total of three months in any three-year period. However, states may submit to the federal government applications, commonly known as "waivers", to have this three-month limit waived. If approved, such waivers allow able-bodied, nonworking, nonexempt adults to receive SNAP benefits for an unlimited duration ~~provided that~~ if those persons meet other eligibility standards of the program. Nationally, waivers of this type have become the standard in SNAP rather than the exception, as forty states and territories, including Louisiana, had a statewide or territory-wide waiver in effect and six other states and territories had a partial-state or partial-territory waiver in effect as of January 1, 2014.

(5) When coordinated and delivered in an effective manner, workforce training services for public assistance ~~recipients customers~~ can be of great value to persons who desire to become self-sufficient and to businesses that strive for greater competitiveness through employing an improved workforce.

This statute is designed to address circumstances where payments collected for utility services are knowingly or fraudulently diverted, resulting in harm to tenants and utility providers. It is not intended to apply to isolated errors or good-faith disputes, but rather to conduct that reflects a pattern of intentional nonpayment, misrepresentation, or deception. The legislature further intends for this statute to apply to both natural and juridical persons, including entities, in line with other Louisiana statutes addressing contract-based financial misconduct."
