Nothing in this Section shall be construed to duplicate or replace reporting required by the Workforce Innovation and Opportunity Act of 2014, 29 U.S.C. 3101 et seq., or applicable federal regulations. Louisiana Works may incorporate data elements from federal reporting to satisfy the requirements of this Section, provided that the parish-level disaggregation required under Subsection B of this Section is fulfilled.

H. Louisiana Works shall bear sole responsibility for compiling, analyzing, and publishing the data required by this Section. Louisiana Works shall use data already collected through the statewide workforce information system, participant case management system, unemployment insurance wage records, and federal reporting required under the Workforce Innovation and Opportunity Act of 2014, 29 U.S.C. 3101 et seq. Nothing in this Section shall be construed to impose on any local workforce development board, local workforce development partner, chief elected official, parish, or municipality any new data collection, compilation, or reporting obligation beyond that already required under applicable federal or state law. Louisiana Works shall not condition the receipt of workforce development funds on the submission of data or reports that duplicate information otherwise available to Louisiana Works through existing systems."
